## INTERNSHIP TIPS

### Do your research!

Always research the company you are applying to work for. This helps you get a sense of the company culture as well as talking points throughout your interview.

### Be honest!

If the interviewer is detailing the job's responsibilities and it requires something you can't do-TELL THEM! It may be uncomfortable, but what's more uncomfortable is accepting a job offer you can't fulfill the duties of.

### Technical Writing:

- Tech Writer Intern-Fast Enterprises, LLC: <https://bit.ly/2o4tmjc>
- Programmer Writer & Technical Writer Intern-Microsoft: <https://bit.ly/2wotYUH>
