INTERNSHIP TIPS

Don't be late!

Your arrival at the office sets the tone for the day. Someone will notice when you clock in and clock out. Be the first one in and the last one to leave, always.

Monitor your social media presence!

It's important to have a strong social media presence, but revealing your personal life to the world can be tricky. Avoid swearing and polarizing, aggressive posts both in general and toward other individuals.

October 29- November 2, 2018
