INTERNSHIP TIPS

Dress for success!

Find out from the hiring manager what the office environment is like, and take it from there. Dressing and acting professionally not only gives a good impression and makes it clear that you're willing to make an effort.

Practice good time management!

It's important to be organized, be careful not to take on too much, and to let someone know if you can't complete a project by the deadline

October 8-12, 2018

Technical Writing:

- Technical Writing-Southwest Airlines: <https://bit.ly/2p0zlGn>
